

## Power Engineering Instructor – Part Time

### Department of Continuing Education

Competition No.: CED1822

Are you a Power Engineer looking to give back to industry and its future employees? Do you enjoy theory-based content or do you want to be hands on and teach in our Power Lab, or does a combination appeal to you.

Be the difference and join the Department of Continuing Education and teach future Power Engineers.

Our successful candidate will be an energetic leader of students with well-developed communication skills. Being highly organized and capable of working in both team and independent settings will be key.

Our candidate will use his/her experience to supplement NAIT's excellent curriculum and prepared resources.

#### Contract Instruction Deliverables:

- Provide classroom and lab instruction to students mainly at the 5th, 4th and 3rd class level.
- Preparation, operation, and maintenance of Equipment and Lab facilities for instructional purposes
- Preparation of learning resources and course materials
- Organization and supervision of practical assignments and assessments
- Provision of one on one student tutorial support as required
- Conducting student evaluations and maintaining student records
- Seek feedback from students on instructional effectiveness and relevance;
- Participating in course and program reviews
- Curriculum development and redevelopment opportunities

#### Qualifications:

- 2<sup>nd</sup> Class Power Engineering certificate (preferred); 3<sup>rd</sup> Class Power Engineer certificate mandatory. A related trade certificate and minimum five years of related experience in the field are considered an asset. Degree or CACE (Certificate in Adult and Continuing Education) would be an asset.
- Previous instructional experience would be an asset.
- Flexible schedules as operational needs require

**Remuneration:** Negotiable. Contract hours are required for evening and weekend class delivery. Hours per week could fluctuate between 8 and 20, depending on the course hours and delivery.

For consideration, please submit your expression of interest quoting the above contract number (CED1822), a cover letter and CV

to: [DCICEcontract@nait.ca](mailto:DCICEcontract@nait.ca)

We thank all applicants for their interest in NAIT as an employer, however, only those selected for an interview will be contacted.

It is recommended that applicants who have obtained educational credentials from outside of Canada and have not had them previously assessed, obtain an evaluation of their credentials from World Education Services or the International Qualifications Assessment Service (IQAS) - <http://eae.alberta.ca/labour-and-immigration/overview-of-immigration/international-qualifications-assessment-service.aspx>
