

As a global leader in student-managed learning opportunities, we are committed to developing leaders at Lakeland College. It's something we excel at because of our exceptional team. Their passion and commitment to academic excellence, innovation and achievement is what sets Lakeland apart, as an educator and an employer. Join our team and be part of helping our students take the lead not only into the future, but today.

Instructor, Heavy Oil

Key Responsibilities

- Development and delivery of the 2nd, 3rd and 4th Class Power Engineering courses according to SPOECC curriculum for both the Heavy Oil Operations Technician (HOOT) and the Heavy Oil Power Engineering (HOPE) programs.
- Instructing and advising students, in the classroom and lab, preparation and marking of assignments and exams as well as participation in departmental meetings.

Job Requirements

- The successful candidate will have a 3rd Class Power Engineering certificate
- Knowledge and experience with MS Office (Word, Excel, PowerPoint)
- Ability to communicate effectively with refined presentation and facilitation skills
- Demonstrate a positive attitude, willingness to accept and promote change
- Ability to lead and motivate others and be committed to collaboration, effective goal-setting and evaluation, and professional accountability

Additional Information

This is a Sessional Part-time Faculty appointment at the Lloydminster campus commencing August 6, 2019 and ending May 15, 2020.

For further information, please contact Brad Onofrychuk, Dean by email at brad.onofrychuk@lakelandcollege.ca

Competition will remain open until June 7, 2019. All resumes are to be submitted electronically on our website www.Lakelandcollege.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered. Those selected for an interview will be contacted.
